# STOCK REDUCI

THE REASON:

The spring season has been very backward, as you all know. Mr. Jones did not know this backward season was coming when he bought the largest spring stock of shoes he has ever owned. Therefore, with this backward season, people have not bought the number of pairs of shoes they would have bought had the weather been seasonable. Consequently, the Jones shoe stock is far heavier than it should be this late in the season. Now that the spring weather is here, Mr. Jones is putting on this
